Dan, thanks for reaching out. I have no objections at all with your posting the article to the new site. Thanks for asking.

And I'd love to become a member. Thanks for suggesting it. I'll plan to register later today.

By the way, I noticed that you are not on our list of [Virtual Acquisition Office](#) (VAO) subscribers. Are you familiar with the service? The monthly Advisories are just one of many facets of the service. One of the GSA FAS offices has a subscription; I'm not sure if it includes your office, but if it something of interest, I can connect you with our Client Solutions Manager for GSA, who will be able to provide more information on whether you are eligible to tag on to the existing subscription.

Thanks,  
Catherine

Ms. Poole,

I worked with David Clemens when he worked with GSA and remain his friend. David left GSA recently. I am currently migrating the blog referenced in the permission you had given Dave. I would like to continue to reference and link your article in our new blog. Do you have any objections to having your article posted at the new site?

I would also appreciate it if you would consider becoming a member of our blog as well.

To gain membership, please go to: <http://interact.gsa.gov/>

It only takes a few minutes to register. Once you have registered, you will find the "Service Ordering Solutions" blog. Please request membership and I will approve you immediately.

If you have any questions, please feel free to contact me.

Thanks,

Dan
